

look like he's dead.

THUR. Feb. 24-1943

Did some flying around  
30,000 ft today.

FRI. Feb. 25-1943

Big day today - General  
Hunter came up to our  
decorations parade & gave  
seven of us Air Medals -  
Then Air Marshal Sir  
Seigh-Mallory - R.A.F. -  
gave us a Medallion  
for our service in the  
Royal Air Force. Was  
a very nice affair.  
and I finally got  
myself a gong.
